

IBETH

IBETH is a subsidiary of the Internationaler Bund (IB).

The IB is one of the big service providers of youth, social and educational work in Germany.

Beyond the borders of Germany, the IB operates in a spirit of a social and educational policy throughout Europe. It strives to offer its programmes and competences on an international level.

Whenever people are in need, when social care, state-of-the-art training and vocational qualification are requested or when a qualified management of social services is in demand:

The IB will help along!

IBETA

Turkey's process of EU rapprochement has triggered comprehensive reform processes. Ministries, authorities and providers of social services alike have an interest in consulting, training and support services in order to further develop their organisation and their offers.

IBETH responds to this demand and develops corresponding offers for the Turkish educational, social, care and rehabilitation sector.

- Education / qualification
- Management tasks
- Knowledge transfer and international networking
- Planning, organisation and implementation of international exchange projects
- Exchange of professionals
- Project management
- Consulting
- Touristic activities for the elderly and people with disabilities
- Educational tours and day trips
