- Visa application process in Pakistan
- Organisation of air travel

Services provided in Germany:

After the arrival of the candidates in Germany, they are received and looked after by IB West. IB will support them responsibly.

- Language courses in Germany (up to B1 level with Telc exam)
- Initial accommodation in Germany is offered by the IB
- Social integration services
- Employer guidance and support for candidates

Your advantages

International IT specialists: a win-win situation for everyone

- Qualified filling of vacant IT positions: The option of recruiting abroad helps you to fill your vacancies in the long term.
- All-in-one solution for skills shortages: Just one contact for the entire process.
- New business opportunities through diversity and creativity: Qualified immigrants bring with them specific knowledge of markets, countries and languages
